Dear Christina

Many thanks for this. And may I thank you for a very stimulating conference. I really appreciated all the ideas that were presented, and the lively debates that were begun. Your hospitality and thoughtfulness were outstanding and I shall retain vivid memories from the three days.

Dear Cristina,

Thank you SOOOOOO MUCH for everything.

The Conference was PERFECT!!!! You are one of the best organizers I've ever met in my life.

I personally took so much from the conference. It is hard to write now about GREAT things you've done.

I need some time to reflect.

Hope we'll keep in touch.

By the way I met so many interesting people at the conference.

We became good friends

Thank you again.

Take care.

Hugs,

Dear All,

Thank you so much for inviting my participation to your very exciting conference.
The accommodations, the food, the folks were just perfect.
I am looking forward to working on some projects with you in the future.
My wife told me upon my return to Bp, that you teachers, in Romania, won a 50% raise!
Good for you.
Anything that you feel I can do to be of service, please give me a call.
Have a good year.

Stimata d-na Nechifor,
va multumesc foarte mult pentru mail!
Am sunat deja marti la Targu Mures si am aflat detaliile. Adevarul e ca am uitat de raffle, desi am fost in scoala de dimineata pana seara+ Antigna si Trattoria. N-am castigat niciodata nimic, asa ca nu am dat prea mare importanta tombolelor.
Va multumesc ca ati fost atat de draguta si mi-ati scris .
Va multumesc si pentru tot efortul depus pentru a organiza o conferinta de o asemenea amploare.
Cu stima,

Anca Draghita

Draga Olesia,

Dragi colege,

Cu ceva intarziere din cauza unor seminare imediat dupa RATE vreau sa va multumesc pentru conferinta reusita si foarte bine organizata, pentru atmosfera placuta si pentru tot efortul in multe directii care s-a vazut si a fost apreciat de participantii care au fost in numar record.

Toate gandurile bune
